

FAB FORTUNE TELLERS

How to Build Your Fortune Teller

1. Cut out your Fab Fortune Teller along the dotted line.
2. Fold according to below instructions:

Fold, then unfold your Fortune Teller in half vertically and horizontally, creating creases.

With your Fortune Teller facing down, fold each corner towards the center.

This is the result. Flip it over, so that the characters are facing up.

Again, fold each corner towards the center.

It should now look like this.

Fold your Fortune Teller in half, working your fingers into the pockets underneath each of the named colors.

Work the creases to form four points.
