

MAGIC MATCH

How to Play

1. Cut out the squares in this Magic Match game packet.
2. Mix up all of the squares and place them in rows, face down.
3. Have each child take a turn flipping over any two squares. If the squares don't match, it is the next player's turn. If the squares match, they can collect their match and take another turn.
4. The player with the most matches at the end of the game wins!
